Registration for Season 2018

Registrations will be available to process from this Thursday. Players and parents that were registered in season 2017 should receive an email from SportsTG with a link that allows them to go straight through with their registrations. Payment can be made when registering and this is the preferred method. Registration can be put off for a few weeks if you need to get money together for this purpose. Subs for season 2018 have remained at the same level as last year, however the HFL has introduced new underage limits being u12/14/16/18. If your child is still in primary school then you will be able to utilise the Government Sports voucher scheme. Please make sure that a medicare/passport number is entered correctly for us to redeem the voucher payment. A registration link for both the HFL and SAWFL will be send out later this month. I will be able to help with anyone having trouble with registering from the 23rd of January (I am on holidays). Please remember that the registration link will be sent to your registered email address from last season. If this has changed please send me a new email with the players name and the new email address.

Training Schedule

Mens – Senior men training starts Monday 15th Jan @ 6.30 sharp. New and returning players very welcome. Training is Mon & Wed in week 1 and Mon, Wed & Fri in week 2.

Alternating between 3 & 2 sessions a week to begin with. Training will revert to 2 sessions/week and taper into trial games – which are to be held Sat 17th (v Gepps Cross, Away) & Sat 24th March v Yankalilla (Home, likely at Cornerstone College oval).

Womens - Women's training will commence from January 24th on Monday and Wednesday nights for the entire season I'm sure we can work in with the Men as we did last year and potentially conduct a joint training session on one of the night.

Juniors – Colts and underage trainings are being finalised and should be ready for publication by the end of the month.
